

Trading Standards Alert

Rogue Traders Operating in Croydon

Warning

Police and Trading Standards are warning residents in Croydon to look out for flyers being jammed into door frames or windows and to remove them immediately. Whilst there is no suggestion that the company named on the flyer is connected with this in any way, the placing of the flyer could be used as an indicator to note if a resident has returned home or not – and if the property is unoccupied.

Residents are advised to remove the flyers immediately and to look out for flyers on neighbours premises, and to be remove those too, especially during the summer holiday period.

Report any suspicious leaflets to Trading Standards on
03454 04 05 06.
