Welcome to the Addiscombe area!

About the HOME Residents' Association

The H.O.M.E Residents' Association (RA) exists for the benefit of the residents in Havelock Road, Outram Road, Mulberry Lane, Elgin Road and Ashburton Road/Gardens/Close.

It aims to preserve, conserve and improve the environment in the H.O.M.E roads as well as in outlying areas that have an effect on our area.

Everyone who lives in H.O.M.E roads is automatically a member of the RA. The RA committee meets six times a year and distributes a newsletter twice a year, to keep residents up to date with its activities and to invite them to social events. We organise two social events a year - at New Year and in the Summer (when allowed) and we also have an annual 'HOME in Bloom' competition to celebrate the wonderful front gardens in our area. Our AGM takes place in September.
